Course Details & Outcomes

Course Description

The Experience Term course enables students to undertake a purposefully designed 12 UoC course load 'experience term'. The design of the course emphasises problem-based learning in an interdisciplinary context thus providing students with the opportunity to appreciate the purpose and lens of their own discipline mastery. Themes of the course include: applied

research; community and social Impact; government and industry engagement; leadership development; and global immersion. The course can be undertaken either locally or overseas where content may be delivered and assessed by one of UNSW's partner universities. The course is available to domestic and international undergraduate students and can be undertaken as a General Education course.

Course Aims

1. To enable students to utilise the UNSW 3+ calendar to undertake a dedicated 12 UoC course load term enabling a specifically designed immersive experience either locally or globally.
2. To enable students to consolidate their disciplinary knowledge and skills through application in an interdisciplinary context.
3. To afford students the opportunity to learn to operate in an interdisciplinary context and collaborative environment.
4. To build an environment where students can develop their abilities in independent, collaborative, and reflective learning.
5. To enhance development of students' academic, professional and personal skills and attributes.

Course Learning Outcomes

Course Learning Outcomes
CLO1 : Consolidate disciplinary knowledge and skills through application in an interdisciplinary context.
CLO2 : Apply disciplinary knowledge, skills and capabilities developed to interdisciplinary contexts, projects, problems, and situations.
CLO3 : Operate effectively in an interdisciplinary environment.
CLO4 : Engage effectively in independent, collaborative, and reflective learning.
CLO5 : Demonstrate development of transferable academic and professional skills and attributes including self-management, critical thinking, problem solving, creative thinking, and communication

Assessment Details

General Assessment Information

In Term 2 2024, CDEV3013 will be undertaken with the University of Warwick, UK.

UNSW students who join the program will undertake two modules, the first at the University of Warwick and the second in Venice or Brussels. Students will choose a stream to follow from: Fine Arts (1a, 1b or 1c) and Business (Stream 2).

Students are expected to follow the requirements of their chosen Warwick subjects, as well as that University's requirements around plagiarism and AI.

In addition to the Warwick modules, before their departure students will undertake a Skill development and goal plan. This will enable students to identify their goals and reflect on how to optimise their experience.

While overseas the students will continually add to a Portfolio on Adobe Express or a platform of their choosing, documenting their journey, the assessments given by the University of Warwick, and a final analysis of their experience and learnings.

<u>Grading Basis</u>

Satisfactory

<u>Requirements to pass course</u>

Students must complete both UNSW assessments - Goal setting and their Portfolio. They must attend all inperson classes whilst overseas, and recieve a score of 50% in their 2 Warwick subjects in order to pass.

Course Schedule

Attendance Requirements

Students are strongly encouraged to attend all classes and review lecture recordings.

General Schedule Information

Travel will be between 20 May and 12 July, depending on your choice of study stream.

Course Resources

Recommended Resources

UNSW Plagiarism information

Students need to familiarise themselves with appropriate referencing standards as well as what constitutes plagiarism. If you are unsure, help is available here: https://student.unsw.edu.au/

[plagiarism](). If you would like further assistance look at the '[Working with Academic Integrity]()" online module.

Instances of plagiarism will be referred for review and educative action as appropriate

Marks will be deducted for inappropriate referencing.

STUDENT RESOURCES AND SUPPORT

The University provides a wide range of support services for students, including:

- **Moodle eLearning Support**

For online help using Moodle, go to: https://student.unsw.edu.au/moodle-support

For technical support, email: itservicecentre@unsw.edu.au; Phone: 9385 1333.

- **UNSW Academic Skills Support**

https://www.student.unsw.edu.au/skills

Provides academic skills support services, including workshops and resources, for all UNSW students. See website for details.

- **Library services and facilities for students**

https://www.library.unsw.edu.au/
